DECLARATION DOCUMENT**

Sir:

Applicant respectfully submits an executed declaration for the above-identified patent application. It has come to the applicants' attention that a Notice of Acceptance was issued in error for this application on April 6, 2005 (copy attached). Please note that an executed declaration was not filed with the filing of the application. Under 35 U.S.C 371, the application is not complete and does not receive a filing date until all requirements are met. These requirements include an executed Oath or Declaration. Therefore, applicants respectfully submit the attached executed Declaration.

It is noted that the \$130.00 surcharge for filing the declaration after the 30-month national date was paid upon filing of the application on December 14, 2005.

Therefore, it is deemed that no fees should be required for filing the declaration at this time. If it is decided that any fee is required for filing the declaration, the Patent Office is hereby authorized to charge the attorney's Deposit Account No. 50-2041 and asked to notify us accordingly.

Respectfully submitted,
